

Buffalo Creek Gun Club

will host the 80 Shot Highpower XTC Fall Match
September 12, 2020

Jack Monturi and Laura Monturi will be your Match Directors. **PLEASE** watch the BCGC website to make sure a new fire ban has not closed the range. You will need to sign up through the website, pay the entry fees on there, etc. There will be no signup at the range on the day of the match. Please also review the current range rules for the new rules around the odd times we are in currently. This will be a fun day even with all of these crazy times! As per usual with a Monturi ran match, there will still be a KNIFE RAFFLE!!! Gather your gear, your shooting friends old (seasoned) and new and come on up to Bailey for a fun match and hopefully cooler weather! Reach out to Jack or Laura with any questions.
